- Yeast harvests, pitches and drops
- Carbonation and dissolved oxygen monitoring
- Track beer throughout filtration process
- Administering of filter and process aids
- Strict adherence to C.I.P. and process S.O.P.'s
- Effectively communicate mechanical and process issues with Head Brewer/Cellar Lead
- Basic beer movements - empty and fill tanks, transfer beer
- Ensures work area is clean and well organized
- Ensures tank exteriors are cleaned regularly
- Monitors and records results of fermentation and cellaring of beer
- Ensures that product and process is free from microbiological contamination
- Ensures equipment is maintained and kept in good working order
- Filters and carbonates beer as required
- Ensure appropriate samples are taken for Quality Assurance

OUR IDEAL CANDIDATE

- Must be at least 21 years of age
- Passion for Brewing and a commitment towards the production of a consistent and quality product
- Two years brewery experience with a minimum of one year CIP experience, brewing experience preferred
- Should have a strong focus on safety and efficiency

OCTOBER 2017

- Good communication skills
- Flexible hours, weekends and night shift availability
- Attention to detail is a must
- Ability to follow complex instructions and adhere to them
- Precision in daily tasks
- Ability to work around loud noise levels
- Ability to frequently reach with hands and arms as well as stoop, kneel, crouch, or crawl
- Ability to frequently and safely lift and/or move up to 165 pounds
- Ability to be frequently exposed to wet conditions
- Ability to work with potentially hazardous chemicals
- Ability to work around moving mechanical parts
- Positive, get it done no matter what attitude

BENEFITS

Ska Brewing offers a competitive compensation and benefits package, rewarding work environment and growth for committed team members.
